Muscogee Moms Becomes Muscogee Moms, LLC

COLUMBUS, GA, December 25, 2009 -- Muscogee Moms has incorporated and formally changed its name to Muscogee Moms, LLC. (www.MuscogeeMoms.com)

“We are excited about these changes,” says founder Charlotte Bowman. “Muscogee Moms has grown tremendously. It started as a simple two-column blog in September 2008 and evolved into a popular online resource for local families. By incorporating, we are solidifying our corporate identity and laying the foundation for future growth.”

Muscogee Moms, LLC owns the website MuscogeeMoms.com -- a central, online source for up-to-day information about family-friendly events and local parenting resources in Columbus, Phenix City, Fort Benning and beyond.

“As a mom, it amazes me how many activities and resources are available for families in the Chattahoochee Valley,” Bowman continues. “By communicating this information through our website, our goal is to make life a little bit easier and less frustrating for parents. Now everyone can have the 411 on family fun.”
