MuscogeeMoms.com Announces New Site Sponsor

COLUMBUS, GA, December 24, 2009 -- MuscogeeMoms.com is pleased to announce a new site sponsor, JE Hedges Photography (www.JEHedges.com).

JE Hedges Photography is one of Columbus' premier professional photography studios. They are the recognized leader for wedding and event photography in the Columbus and the Valley area. Their photography studio has been the proud recipient of the Ledger-Enquirer's Readers' Choice Award for "Favorite Photographer" for the past three consecutive years.

JE Hedges Photography offers wedding and special event coverage, family portraits, beautiful maternity sessions, baby panels, and business head shots. Their newest division, JE Hedges Photo Booths, is the only rental company for the modernized "Model 12" vintage style photo booths in Columbus and the surrounding area.

"Our studio is excited to be a part of the Muscogee Moms network. Our area has long been overdue for one resource that parents can go to gather all the information they need about events and news concerning their families. Hundreds of beautiful families utilize Muscogee Moms and our goal is to bring awareness of our studio so we may have the opportunity to photograph each one of those smiles," said Julie E. Hedges, owner of JE Hedges Photography.
